#### [CLARA launched its 6<sup>th</sup> "Proof of Concept" call for project](#)

---

The 6<sup>th</sup> "Proof of Concept" call for project was launched on February 15<sup>th</sup>. The main lines introduced in 2008 and 2009 are pursued: "Industrial Proof of Concept", "Emergence" and "Nano Transfert Cancer". A novelty is added to the program 2010: projects will be able to set up an "exploratory clinical" Proof of Concept.
