

#2 : April 4th, 2019

WELCOME TO:

“The Microbiome revolution in Vaccines, Antimicrobials and Diagnostics: what are we waiting for?”

This is a personal invitation, please reply to communication@bioaster.org

A Day @ BIOASTER is a one day unique experience to listen, learn, share, exchange on a key topic with Academics, SME's, industrials.

The draft agenda:

TIME	SPEAKERS	THEME
9h30	Welcome speech Philippe ARCHINARD (President BIOASTER)	
9h45	Opening speech Kiran Raosaheb PATIL (EMBL)	<i>How drugs impact gut bacteria</i>
10h15	Key Talk Speaker TBC	<i>Industry point of view</i>
10h30	Key Talk Isabelle DE CREMOUX (Seventure Partners)	<i>Future prospects of microbiome: a VC's perspective</i>
10h45	Round table Marie-Christine MULTON (Sanofi) Nathalie DEVOS (GSK) tbc Giovanni MAGNI (Bio-Rad Laboratories) Todd BLACK (Merck&Co MSD)	<i>When and how to get the best from microbiome for diagnostic and pharmaceutical development?</i>
11h45	Pitches & project #1 Hervé BLOTTIERE (INRA) Joachim CONFAIS (Cynbiose) Anoxic Platform : Vincent THOMAS (BIOASTER) Advanced 16S RNA analyses – Adrien SALIOU (BIOASTER)	<i>Breakthrough microbiome technologies applied to the private sector</i>
12h45	Lunch break & networking	
14h00	Key Talk Filipe DE VADDER (IGFL)	<i>Gut-Brain Axis: an example of a paradigm shift</i>
14h15	Pitches & project #2 Ronny HERMANSEN (Genetic Analysis) Hervé AFFAGARD (MaatPharma) Georges RAWADI (LNC Therapeutics) FAME Project : Aurore DUQUENOY (Maat-Pharma – BIOASTER Thesis)	<i>Microbiome for clinical interventions</i>
15h15	Short break	
15h30	Pitches & project #3 Gianfranco GROMPONE (Lesaffre) Patrick VEIGA (Danone) Marcel BONY (R-Biopharm)	<i>Nutraceutical / Microbiota & Nutrition</i>
16h30	Closing speech & conclusions Jean-Luc BELINGARD (President of FEFIS - Institut Mérieux) Nathalie GARCON (BIOASTER CEO/CSO)	
16h45	End of a day @ BIOASTER	Goodbye Snack
